Advanced Practice Nurse, Cardiology

About the Organization

The University of Ottawa Heart Institute is Canada's largest and primary heart health centre that is dedicated to understanding, treating, and preventing heart disease and is the sole provider of tertiary cardiovascular care in the Champlain Region.

The Ottawa Hospital is a multi-campus academic health sciences centre serving the 1.2 million residents of Ottawa and Eastern Ontario, in both English and French. Working together with its research institute, the University of Ottawa, and other partners, the hospital is continually gaining national and international recognition for high-quality patient care, teaching and research.

The Ottawa Hospital and The University of Ottawa Heart Institute is seeking a high energy, flexible, dynamic healthcare leader to join its team in an exciting opportunity to serve as **Advanced Practice Nurse, Cardiology**.
