

AN ELECTRONIC HEALTH RECORD FOR YOU

ConnectingOntario is the platform enabling doctors and clinicians to share your medical data in a safe, secure digital format that will improve the care you receive.

This means authorized members of your health care team have immediate access to your important personal health information including:

- ✔ Medical history
- ✔ Emergency department visits
- ✔ Lab results
- ✔ Hospital reports
- ✔ Home care and long-term care information
- ✔ Diagnostic imaging reports (e.g. X-rays)

We take your privacy seriously

- ✔ We adhere to rigorous privacy standards, policies and procedures
- ✔ Access to your health records are limited to only those clinicians who need to care for you
- ✔ We can tell you who has accessed your information

Contact us anytime at 1-866-250-1554 or info@ehealthontario.on.ca:

- ✔ If you don't want to share your information in ConnectingOntario
- ✔ To receive copies of your information from ConnectingOntario
