Advanced Practice Nurse, Smoking Cessation

About the Organization

The University of Ottawa Heart Institute is Canada's largest and primary heart health centre that is dedicated to understanding, treating, and preventing heart disease and is the sole provider of tertiary cardiovascular care in the Champlain Region.

The Ottawa Hospital is a multi-campus academic health sciences centre serving the 1.2 million residents of Ottawa and Eastern Ontario, in both English and French. Working together with its research institute, the University of Ottawa, and other partners, the hospital is continually gaining national and international recognition for high-quality patient care, teaching and research.

The Ottawa Hospital and The University of Ottawa Heart Institute is seeking a high energy, flexible, dynamic healthcare leader to join its team in an exciting opportunity to serve as **Advanced Practice Nurse, Smoking Cessation**.

Essential knowledge and experience

- Master's Degree in Nursing or currently pursuing/enrolled in a Master's program in a related discipline with an undergraduate degree in Nursing;
- Five (5) years recent cardiovascular clinical experience;
- Expert level practice skill and advanced practice experience;
- Demonstrated knowledge of principles of risk reduction, and behaviour change strategies and systems;
- Previous research or evaluation experience;
- Previous leadership and program development experience;

Competencies

- Excellent organizational, interpersonal, problem solving and decision making skills;
- Demonstrated leadership ability;
- Research, teaching and consulting skills;
- Knowledge of statistics and ability to analyze fiscal and patient care data;
- Expert communicator;
- Clinical expertise related to patient care and administrative, educational and research matters;
- Advanced knowledge of the consultation process as they relate to individuals, groups and/or systems;
- Knowledge of the regional health care system in the area of the discipline/specialty;
- Ability to learn and apply hospital policy and procedures, relative legislation, collective agreements, Canadian Hospital Accreditation Standards, Professional Disciplines Standards for Ontario;

- Knowledge of computers including MS Office (e.g. Word, PowerPoint, Access, Excel, statistical programs, graphics packages) etc.

Preferred Qualifications

- Member of RNAO;
- Smoking cessation program development experience;
- Advanced practice experience in smoking cessation;
- Demonstrated knowledge of smoking cessation literature;
- Proficiency in English and French – oral expression (advanced level) and comprehension (advanced level).
