Dear Vendor,

With the ongoing COVID-19 situation, The Ottawa Hospital is working to ensure the health and safety of our patients, the public and our employees. For this reason, only essential vendors will be allowed on premise. Unless you hear from us, please refrain from visiting hospital sites.

We thank you for your on-going support in helping us meet the needs of our patients. The health and safety of our patients, the public and our employees are a priority.

Thank you for your understanding cooperation.
